

NSF I-Corps Hub Southeast Region

Transforming Research into Real-World Impact

I-Corps Innovation Workshop

*A workshop on entrepreneurial education and
evidence-based entrepreneurship.*

September 21, 2026

11 AM - 1 PM

Virtual (Zoom)

For additional information, email: s.rajguru@miami.edu

Do you want to:

- Extend your research and discoveries beyond the laboratory
- Convert your patentable research to real-world applications
- Gain experience with licensing or spinouts
- Consider alternative funding pathways beyond traditional grants

Are you?

University of Miami faculty, staff, post-doctoral associate, resident
or registered student with a discovery or innovative ideas?

Spots are limited. So **REGISTER NOW**
